## Remarks

Note: Remarks are not for responding to an office action.

This Information Disclosure Statement Submission contains both electronically filed and paper filed Information Disclosure Statements. There will be ten (10) electronic information disclosure statements filed in this submission, and this electronic submission is the second of ten (2 of 10). The paper filed submission will contain foreign references (non-USPTO references) and other non-patent literature documents. All later filed partial submissions (electronic and paper) will reference this same information. Because all partial IDS submissions are filed as one complete IDS submission, only one IDS fee is believed due for the entire complete IDS submission. The IDS fee was submitted with the first partial IDS submission, and no additional fees are believed due.
